

Fancy Leading a Walk.

We are always on the lookout for new Walk Leaders.

So if you are interested, please don't hesitate to contact the Walk Organiser (Pete Hopewell).

Even if you have no experience, other Walk Leaders can offer help and give guidance in leading your first walk. Assistance in Map Reading is always on offer from other Leaders. All recorded Travel Expenses incurred organising your first walk can be met by the group. So don't hesitate, get in touch with Pete today.
